

5454 Miniature Helmholtz Coil

Features

- Precision coil adjustment for fine alignment
- Light weight (1.25kg)

Model 5454 General Specifications

Inside Clear Diameter	50mm
Coil Gimbal for precision adjustment	
Base	140mm x 140mm
Height	117mm
Clear Gap	22mm (coil spacing)
Continuous Operation	10A-14.32mT
5 Minute Duty	20A-28.64mT
Calibration	1.432mT/Amp
Resistance	183mOhm @ ambient (2 coils serially connected)
Interlock Protection @70C
